Thank you to all who have provided past support of the National Commodity Supplemental Food Program Association (NCSFPA). It is the contribution of hard work and dedication from each independent state and local agency to our shared cause that both feeds our nation's most vulnerable and keeps the association strong and active.

This volunteer effort to strengthen and expand the CSFP has been very busy over the past few years. Not only was CSFP not eliminated as proposed in 3 consecutive federal budgets, CSFP was reauthorized under the Farm Bill and received considerable expansion in the largest appropriation ever in the FFY10 budget, finally adding 7 new states as well as expanding caseloads in current states. The minimal \$50 annual dues support the monthly conference call meetings of the board of directors and the committees working on CSFP nutrition, policy, procedure and education issues.

Attached is the 2011 National CSFP Association dues invoice. Please complete and return with payment to my attention at the address below and specify that your payment is for NCSFPA 2011 dues. Each dues paying **agency** will have one vote.

Thank you in advance for your ongoing support and we look forward to your participation in the National Conference and in the work of the Association throughout the year.

Sincerely,

*Leona Martens*
